The course is characterized by vast elevation changes, generous driving areas, and spacious challenging greens.

Locals aren't the only ones who know a great course when they play it. The Magnolia has hosted many of the Carolinas' PGA and Golf Association majors and has been a qualifying site for numerous US Open and Amateur Championships. The Magnolia continues to host PGA (Web.com) qualifying.

Meals On Wheels

*The Meals Provide A
Third Of The
Recommended Daily*

Meals on Wheels of the Sandhills, Inc. was started in 1974 by *Ida Baker Scott* for five of her friends who needed a hot, nourishing meal.

Today, we have more than 100 dedicated volunteers who donate their time and use of their vehicles to deliver an average of 90 meals each weekday, including weekday holidays (260 days a year) to those in need of a meal and a friendly greeting.

The hot meals are prepared by the kitchen staff at **Penick Village** in Southern Pines, accommodating nutritional requirements such as diabetic, vegetarian or gluten-free meals. Volunteers will deliver more than 22,000 meals this fiscal year at an expense of \$66,000. The cost for each meal is \$3.25 and 60% of all recipients are unable to pay. The cost to feed one person for an entire year is \$780. Our entire mission to serve those who may otherwise go hunger is achieved **without any government support.** Your participation in this tournament will hopefully provide enough
